

Division A continues to work on club rebuilding.

Some success in Area 1 with Thousand Island. Mike O'Donnell their Club Coach is working with the club quite nicely. Thousand Island held their first speech contest in a few years, and will be represented at the Area Level.

Limestone is being coached by Sylvain Aufret, after Meryl Green was forced to step down.

Hyperion Speakers (the Bell Club) has been forced to dissolve. The call center closed Friday March 2nd, putting all it's employees out of work. Area Governor Myra Stonier Smith has encouraged all remaining Hyperion members to join either Limestone or Cataraqui Valley.

Area 2 is making strides, but is still in rough shape. At last check, Morrisburg is still struggling with members. Have suggested a Club Coach for that club.

Smart City is small in numbers, but eager to grow. VP Membership is working on a membership drive/special meeting for May.

Area Governor Malcom Robertson has done an excellent job working with all clubs, especially the struggling ones to keep them on track.

Area 3 continues to show a lot of strength. Context however could still use more members. Area Governor Tony Smith has been working with the club to get them back to charter strength.

Two key areas Division A continues to focus on are MEMBERSHIP and TRAINING.

All Area Governors have been vigilant to get as many officers to TLI or Make Up Training as possible.

No snazzy DCP Numbers were submitted from the division at the start of the 2005/06 TM Year, and that will remain unchanged. It is hopeful all clubs will at least be Distinguished come June 2006. However, taking care of the clubs (half of which are struggling) is more important at this point, than taking care of the DCP. Through effective club coaching and area visits, it is expected that clubs will be rejuvenated, and continue to foster growth.

Finally, Division A Speech Contest, Sunday April 2nd, 2006, McIntosh Inn, briefings at 130, contest at 2p. All participants are encouraged to come out for around noon for a delicious Sunday Brunch, to help offset the cost of the room.

This ends Division A's report.

Just as an aside Camille, I'll be travelling up with Manfred Laube to the meeting. I can present this report, if time permits.

Carl Richards,
Division A Governor
